

Our Accreditation

There are more than 10 000 business schools worldwide

Less than 10% are accredited

Less than 1% are *triple* accredited

Two universities are *triple* accredited in Australia

Teaching Excellence

- Many of our staff receive national and international awards and recognition for their teaching initiatives, research collaborations and publications.
- More teaching awards than any other Australian university in the 2013 prestigious Awards for University Teaching.
- 92 per cent of our academic staff have a PhD or are currently undertaking one.

Research performance

One of only eight Australian universities whose business and economics research consistently rated at or above world standard.

Published in collaboration with colleagues from more than 270 universities in 43 countries over the last 10 years.

Business

Practical learning experience

We offer many opportunities to give our students a career edge through real-world interaction, networking and work integrated learning.

QUT Business Leaders' Forum

In conversation with dynamic leaders

We give you the opportunity to network and hear from world-class thinkers as they tackle today's leadership challenges.

[Find out more](#)

The QUT Business Leaders' Forum is recognised as the pre-eminent business leadership event in Brisbane. For over a decade it has developed an international reputation for attracting dynamic world-class leaders in a dialogue on today's leadership challenges. The Forum informs, challenges and inspires audiences on leadership, business excellence, corporate social responsibility, sustainability and related public policy.

Career success

- QUT graduates are highly employable
- 86% of QUT students find a job within 3 months of graduation
- They're confident and job-ready

Be job ready

- QUT graduates are highly employable
- QUT is 7th in Australia and in the 71-80 band globally in the inaugural QS Graduate Employability Ranking (2016)
- QUT graduates enter the workforce confident and with the skills necessary to succeed.

Be job ready

We are well known as 'a university for the real world' because of our close links with industry and our relevant teaching and applied research.

Students may:

- have a compulsory work placement
- work in a QUT Health Clinic treating real patients
- get hands-on experience in state-of-the-art laboratories and workshops on-campus
- undertake Work Integrated Learning.

Every course will be different – we try to balance the mix of theory and practical experience to suit the industry.

Be job ready

Real World Placement Program

- QUT offers many different ways for students to gain real world experience with industry partners and organisations.
- Students can get a taste of the real world of work in their field - leading to more informed career choices.
- Work on problem solving, initiative and team work skills, which you can then write about in selection criteria and talk about in interviews.

Be job ready

Career Mentor Scheme

- The Career Mentor Scheme by QUT provides students with the opportunity to be matched with an industry professional to support your career development and assist you with your transition from study in to the workforce.
- Students will be able to:
 - Gain access to advice from an industry professional
 - Forge a supportive, on-going professional relationship to support your career
